Product Description:

The Airfix 1/600 HMS Nelson plastic model kit accurately recreates the real life Royal Navy vessel. This plastic ship kit requires paint and glue to complete. The first class battleship built for the Royal Navy after World War I. Completed in 1927, HMS Nelson saw active service from the outbreak of WWII. Even though suffering damage in December 1939, she saw action in many theatres from autumn of the following year, and was particularly well known and effective in the Mediterranean, eventually lending support to the invading allied armies of the Italian peninsula.

She also took part in the D-Day landings and was present at the surrender of the Japanese forces in Singapore in 1945. Manufacturer: Airfix
