Category:

Airfix 1/72 Dioramas Plastic Model Kits

Product Name:

1/72 RAF Recovery Set

Product Movie URL:

Product Description:

The Airfix 1/72 RAF Recovery Set plastic model kit accurately recreates the real life . This plastic diorama kit requires paint and glue to complete. The Coles Mk 7 crane and the well-known "Queen Mary" trailer were both used extensively by the RAF during World War II. These two vehicles can be used with Airfix aircraft and diorama sets to enhance any scene required. Manufacturer: Airfix Model: 03305
