Product Description:

The Hornby Skaledale Platform Sections - Platform Steps are part of the railside collection. Skaledale, is a place somewhere not far from anywhere! A town or a small village which is full of life and shines of a timeless period. Skaledale is always evolving just like any other town or village. There are churches of various denominations, shops, pubs, schools and houses of all shapes, sizes and colours. This latest collection of Skaledale properties and accessories bring a life and vibrant atmosphere to any '00' scale model railway layout. The hand crafted and hand decorated poly resin structures can be positioned on a layout without any further enhancement; however a small amount of additional weathering can make all the difference to give your layout that extra amount of realism.
