Product Name:

DC Peak Charger (1.2 A)

Product Movie URL:

Product Description:

The Hobbyzone DC Peak Charger (1.2 A) has the following features: Sophisticated peak detection circuitry prevents battery from overcharging  
Adjustable Current Rate charges between .3 amp - 1.2 amp LED indicator Go anywhere operation just plug it into your auto's lighter plug This charger is designed to work with all of Hobbyzone's aircraft, except the Aerobird Xtreme. It features peak detection circuitry and adjustable current so the charge rate can be customized for each battery. A red LED indicator shows the charge cycle status. The unit plugs into any automobile outlet so it is perfect for use at the field. Compatible aircraft include the Aerobird Challenger, Firebird Scout and Firebird Commander 2. No Hobbyzone owner should be without one. An adaptor is required to make this charger compatible with some of the older or smaller hobbyzone aircraft. Manufacturer: Hobbyzone Model: HBZ1026 DC Peak Charger (1.2 A)
