Product Description:

The ProMount Pro 2 Two Piece Scope Mount is an used to mount your scope onto your air rifle. ProMounts have become the choice of champions and hunters the world over. Although they are ideally suited to air-rifles, air-pistols and .22 small- bore rifles, ProMounts are currently fitted to sniper rifles used by some of the worlds elite tactical forces whose jobs and sometimes lives depend on them. ProMounts are engineered from Aircraft Grade Aluminium on CNC machines for a manufacturing accuracy that cannot be beaten by any other mount in the industry. In fact so confident are we of ProMount quality and dependability, that should your mount ever fail to operate due to defects of any kind we will replace it free of charge. Fits 1" bodied scopes with objective lens up to 40mm diameter plus parallax adjustment.
