Product Description:

With the John Adams Golden Coin Maker you can discover the 'secret' of how to make chocolate coins and medals wrapped in golden foil. Enjoy a truly magical experience with the first ever Golden Coin Maker. With this mini-factory, you can make hundreds and hundreds of foil wrapped golden coins for years to come! Age 5+ Specifications With the Golden Coin Maker you can melt, wrap & stamp your own chocolate coins and medals. The Golden Coin Maker lets you discover the 'secret' of how to make chocolate coins and medals wrapped in golden foil. Enjoy a truly magical experience with the first ever Golden Coin Maker. How does the Golden Coin Maker work? First you can melt the chocolate safely and easily before whizzing the wheel to cut the foil. Then drop in your chocolate coin and press down on the lid. Remove the golden coin, choose one of stamp and get ready to emboss. Turn the handle and your chosen design is embossed on both sides! There are 19 stamps to choose from including, Congratulations, Good Luck, Happy Birthday, Smiley Face, Shining Sun, Football, Championship Trophy and more. You can even create your own design by using the scribing tool. After this, you can enjoy unwrapping the foil and eating the chocolate. With this mini-factory, you can make hundreds and hundreds of foil wrapped golden coins for years to come. The Golden Coin Maker makes a great gift to children from parents, grandparents or best friends. Golden Coin Maker features * One magical golden coin and medal factory * A 'safe melt' chocolate melting unit * Golden net bags and golden foil * Coin and medal melting bases and rings* Spreading and scribing tool * Make personalised designs * 19 pre-made golden coin and medal designs * 1 partly blank design to personalise your own * 130gms of quality milk chocolate * Can use any leading brand of chocolate buttons * Colour instruction booklet * Suitable for age 5 years and up * Size: Golden Coin Maker (box) L 30.9cm x H 23.1cm x D 14.0cm Nutritional Facts: Cocoa contents 33% Milk content 21.8% Ingredients:
