Product Description:

The Venom Ocean Rescue RC Helicopter RTF comes Ready-to-Fly [RTF] and is a great choice for first time helicopter pilots. The Ocean Rescue is easy to fly in minutes with counter rotating blade Design for Stable Flights. The electronics in the Venom Ocean Rescue comprise a 4-channel FM Radio with 2 Micro Servos. The Helicopter itself is powered by a 2 Cell 7.4v 800mah LiPO Battery with a AC Wall Charger to keep the radio control helicopter in the air. This is a one box purchase, everything you need to fly the Ocean Rescue comes in the box from Venom, including 8 Venom AA Alkaline batteries for the transmitter. This helicopter comes highly recommended by our R/C dept. as being one of the best hobby helicopters for the beginner.
