Product Description:

The Scalextric C1197 Digital Driver Set features digital lane change and provides you with a track layout measuring 220cm x 140cm. This means it is ideally suited for the driver requiring a digital Scalextric set at a budget price. The Scalextric digital racing means you can drive and overtake up to 4 cars on two lanes with the Scalextric Sport Digital. This large oval circuit comes with two Scalextric BMW Mini Coopers with lane changing action capability. The great thing with the Scalextric C1197 Digital Driver Set is you can use any old classic track you may have lying about with the Scalextric conversion straights, allowing you to incorporate your classic track with the new easy fit system.
