

Ford Focus WRC

Category:

Scalextric Road and Rally Cars

Product Name:

Ford Focus WRC

Product Movie URL:

Product Description:

The Scalextric C2802 Ford Focus WRC includes fantastic detail throughout the car with great interior cockpit detail including driver pace notes!! The fine detail and crispness of the decoration is, as you are coming to expect from Scalextric, the best there is. The front mounted motor sits over a sprung guide blade which assists in keeping the guide in the slot! The four-wheel-drive, drive train gives satisfying controlled cornering action.
