Product Description:

The Gibsons Home Build Country Cottage 3 is one of the Gibsons home build kits. It is a country cottage set to make a genuine scale model using real bricks and tiles. Cardboard templates are erected on the hardboard ground plan, the bricks and roof tiles glued into place. Decorative foliage is added to give that attractive final finish. Approx. build time is 60 hours. Manufacturer: Gibsons Model: G952 Home Build Country Cottage 3
