Product Description:

The SCX Citroen Xsara WRC Sweden is a SCX Digital System compatible slot-car. The model replicates all the detail of the original car in detail. The Citroen Xsara WRC car won the 2004 Rally of Sweden, driven by Carlos Sainz and his co-driver Marc Marti. Carlos Sainz is to date the only Spanish driver to have won the World Rally Championship twice, in 1990 and '92. The Citroen Xsara WRC Sweden is a high quality SCX Digital System slot-car, fitted with a RX-41 motor with rear wheel drive. The Car has A.R.S Guide blade with suspension, a removable and adjustable magnet and high intensity headlamps (Xenon effect). This item comes highly recommended for use with the SCX Digital System.
