John Adams Fun To Do

Product Name:

Arty Pots

Product Movie URL:

Product Description:

The John Adams Fun to Do Arty Pots is a fun activity set where you can make and decorate your own flower pots. This brand new craft is simply to do and ready in minutes. Make five rock solid pots using special plaster that dries in minutes, then decorate with PVA glue and brightly coloured tissue paper. The John Adams Art Pots is great for young potters with a creative flare. Decorate and use these Arty Pots for flowers or anything you can think of.
