

# Pro 28 BD-R

Category:

Thunder Tiger Engines

Product Name:

Pro 28 BD-R

Product Movie URL:

Product Description:

The Thunder Tiger Pro 28 BD-R PRO rc car engine are equipped with dual-ball bearings, Schnuerle porting, piston and cylinder and mixture control carburetor. Designed to achieve the easiest operation and max performance again and again. The PRO .21/.28 Series have the most raw power & durability simultaneously! Of course, the new webbed reinforced compact crankcase is made for added wearing resistance and provides effective heat dispersion to meet the demands of long term usage. The PRO series are manufactured by automated computer-controlled machinery, using the highest quality materials. State-of-the-art CNC manufacturing techniques produce not only high performance and reliability but a product that looks and performs better. Precision mixture control carburetor makes adjustments simple. The crankshaft is lightened, and balanced to get a fuel mixture more smoothly. The .21/.28 engines fits in the same mounting space as the original .21/.28 engines, with no additional weight - but delivers greater output and higher practical rpm. Pro 28 BD-R Features: Dual starting system; recoil starter, rotor starter Top grade CNC equipment, state-of-the-art technology are used Improved mixture control carburetor which makes adjustments simplerImproved quality; ISO9001 Certified which guarantees the maximum power and performance Smooth running and long lasting power plant with front and rear ball bearings Dual-ball bearings, Schnuerle porting, piston and cylinder and mixture control carburetor Same mounting space as the original .28 engines Crankshaft is lightened, and balanced to get a fuel mixture more smoothly Designed for both beginners and experienced modellers Pro 28 BD-R Specifications: Displacement: 4.63 cc. / 0.282 cu. in. Bore: 18.30 mm. / 0.720 in. Stroke: 17.6 mm. / 0.693 in. Practical RPM: 3,000 ~ 35,000 Output: 2.40 BHP / 30,000 RPM Weight: 490 g. wo/muffler / 17.28 oz. Manufacturer:

Thunder Tiger Model: TT9473 Pro 28 Dual Start
