BB Pistols

Product Name:

Taurus 24/7

Product Movie URL:

Product Description:

The SMK Taurus 24/7 is a single shot BB gun firing 6mm plastic bb's. This BB gun needs to be cocked every time to fire, with a magazine capacity of 12 bb's. The BB gun can shoot to an estimated range of 40 metres at a velocity of 315fps. Approx 100 bb's included. Taurus 24/7 pistols are short recoil operated, locked breech pistols that use modified Browning-type locking, with single lug on the barrel engaging the ejection port in the slide. Frames of Taurus 24/7 pistols are made from impact-resistant polymer. Manufacturer: SMK Model: 21146 KWC
