Product Description:

The Scalextric Top Gear Powerlaps Set is a new release for 2008. You won't be able to get enough of this great scalextric set. The irregular figure of 8 set contains a Porsche 911 GT3R and a Ford GT as tested at the TopGear track in real life, do you really think your good enough to beat the infamous Stig! Set the included lap counter and power round the circuit being sure to avoid time sapping tail slides going through hammerhead, Bentley Corner, Bacharach Bend and Gambon Corner. Cross the Finish Line, check the lap timer. Did you get your name to the head of the Leader Board? No! THEN GO AGAIN!!. Manufacturer: Scalextric Model: C1218 Top Gear Powerlaps Set
