Product Description:

The Craft Compendium from House of Crafts enables you to try lots of different crafts. The Craft Compendium gives you a taste of many crafts including card making, glass painting, quilling, marbling, and beeswax candelmaking with easy to follow instructions. This large compendium box contains everything you need to produce a sample of all the crafts detailed above, allowing you to decide which of the crafts you'd like to explore in more detail. It's the perfect antidote to a rainy weekend, to keep away the boredom, and also a super present for a teenager or older person looking for a pastime. Manufacturer: House of Crafts Model: HC450 Craft Compendium
