Product Description:

The Bravo Delta Models PBY Catalina Camouflage Royal Air Force in 1/64th scale is a wooden model aircraft model in our Bravo Delta Wooden Aircraft Models range. Consolidated PBY Catalina Code 88 Serial No. 11088 Long distance ocean patrol flying boat. Crew 7-9 Max. speed 200 mph at 5,700ft. Max. range 4,000 miles approx. A total of 45 U-boats were sunk or seriously damaged by Catalina crews. Two of the coastal commands four VC awards went. Bravo Delta Models are exceptional museum quality wooden aircraft models and are faithfully reproduced in kiln dried Mahogany. Each is carved, joined and sanded by hand. The deep, rich finish that distinguishes these models from others is created by the application of up to 35 coats of enamel. The artist then hand paints all of the details onto each model. The final product is a beautiful authentic wooden aircraft which is fully built and finished and packed in a strong shipping carton. Every model has its own desk stand. All the propellers are made of wood and will rotate. Some of the jets have movable swing wings, also made of wood. Length: 13 Width: 22 Height: 4 Measurements are in inches Manufacturer: Bravo Delta Models Model: 013 PBY Catalina Camouflage Royal Air Force Scale: 1/64
