Faceless Horseman

Product Movie URL:

Product Description:

The Papo Faceless Knight from Papo Toys reveals the darker side of medieval play - but that's what makes this imaginative play interesting! This highly-detailed and hand-painted Papo Faceless Knight, a 3.5" tall realistic knight with hidden face and black cloak that is designed to mount his armored horse and battle with his sword. No kingdom will be complete without the mysterious Faceless Knight & Fantasy Black Horse Set from Papo Toys - watch as imagination remains victorious with this great medieval collection! Manufacturer: Papo Model: 38901 Faceless Horseman
